Appointments

2025– Postdoctoral Researcher, Cool Center, Your University
with Dr. Thinks-a-lot

Education

2020–25* **Ph.D.**, Your Field, Your University
2018-20 **M.A.**, Field, University
2008-12 **B.Sc.** Field, University

Research Experience

2020– Research Assistant, Cool Lab, Your University, (Advisor: Dr. Thinks-a-lot)
2020– Research Assistant, Fancy Science Lab, Your University, (Advisor: Dr. Math Wiz)

Awards & Honors

2024 Fancy NSF Grant ($1,000,000; Role: PI)
2023 Your University Outstanding Service Award ($XXX)
2020– Research Fellow at the Your Research Lab or University

Publications

G Google Scholar
† → Equal contribution

*Expected.

Manuscripts Under Review

R2 The freshest preprint of the bunch
John Smith & Best Buddy
Under review at *Nature Human Behaviour*, 2024

R1 Sweet new project about to blow up the scene!
John Smith, Best Buddy & Advisor Super
Revise and Resubmit at *PNAS*, 2023

Manuscripts in Preparation

W2 A project that is still taking shape
John Smith & Advisor Super
In preparation, 2024

W1 Another good one!
John Smith, Best Buddy & Advisor Super
arXiv[Preprint], 2023

Journal Articles

J3 Newest Paper Title Goes Here
John R. Smith, Ada Coauthor & Steven Yang
Another Journal Title, 2024

J2 Paper Title Goes Here
Smart Guy[†] & Smart Gal[†]
Journal Title, 2023

J1 Paper Title Goes Here
John R. Smith, Michael Brown & Steven Yang
Journal Title, 2023
– Add *Extra Accolades* about Your Article
– Write text here as normal LateX Allowing Special Formatting
– Best Paper Award (Conference XXX 2021)

Peer-reviewed Conference Proceedings

C3 Paper Title Goes Here
John R. Smith & Michael Brown
Proceedings of the Most Cool Conference, 2023

C2 Paper Title Goes Here
John R. Smith
Proceedings of the Super Duper Cool Conference, 2021

C1 Paper Title Goes Here
John R. Smith, Michael Brown & Steven Yang
Proceedings of the Super Cool Conference, 2021

Other Writings

O2 Everything I learned in graduate school
John Smith
PhD dissertation, Your University, 2025

O1 A plain-language summary of my latest paper
John Smith
The Cool Science Blog, 2024

Tools & Software

Group Name

Cool dashboard: A dashboard that displays data in a really awesome way.

monkeytools: Python package for the everyday codemonkey (PyPi | GitHub). Demonstrated at (PyCon 2024).

Group 2

Other stuff goes here.

Presentations

Invited Talks

I2 A keynote that everyone remembers
Workshop on Very Important Questions (Virtual), 2024

I1 Invited talk with a memorable title
Department of Cool Science Seminar Series, Your University (Bloomington, IN, USA), 2023

Talks

T3 Awe inspiring presentation
10th International Conference on Cool Science (Philadelphia, PA, USA), 2024

T2 A talk on joint work with a coauthor
Annual Meeting of the Cool Science Society (Chicago, IL, USA), 2024

T1 Anotha' one!
Fourth Multidisciplinary International Symposium on Blasting Bangers (Virtual), 2022
Links like this
– Extra Formatting also works

Posters

P3 Poster Name here
Another Cool Conference (Cambridge, MA, USA), 2024

P2 Poster Name here
Another Cool Conference (Cambridge, MA, USA), 2023

P1 Poster Name here
Yet Another Cool Conference (Chicago, IL, USA), 2022

Demonstrations & Tutorials

D3 Hands-on tutorial for the monkeytools package
Super Cool Conference Tutorial Track (Seattle, WA, USA), 2024

D2 Exciting demonstration
Another Cool Conference Workshop on Technical Things (Cambridge, MA, USA), 2022

D1 CoVaxxy: Linking COVID-19 vaccine adoption and online (mis)information
Cool Organization Tech Showcase (Virtual), 2021
Include links this way for the Cool Organization

Selected Media Coverage

2024 The New York Times, Scientists figure out the meaning of life. [J1] (Note how the regular citation functions work throughout the document!)
2024 AP News, What even is science? [J2] (Point to any project in your ref.bib file with the standard 'cite' function)
2025 Reuters, The newest paper makes headlines. [J3] (This one cites the *top* journal entry, so it prints J3 – matching the number shown in the list above)

Teaching

University1 Name

2024 Assistant Instructor, Course Name (CODE 606)
2024 Guest lecturer, Science Theory and Practice (CODE 360)

University2 Name

2024 Assistant Instructor, Course Name (CODE 123)
2024 Guest lecturer, Science Theory and Practice (CODE 321)

Academic Advising

Graduate

2023 Name, University, Additional details

Undergraduate

2023 Name, University, Additional details

Academic Service

Guest Editor

2023 Link to collection

Journal Reviewer

2023 Nature
2023 Science

Professional Memberships

2024– Society for Cool Science
2023– Association of Computational Things

Other Experience

2018 Past Non-academic Job, Company Name, New York City, New York (Additional detail)
