Appointments

2025– Postdoctoral Researcher, Cool Center, Your University
with Dr. Thinks-a-lot

Education

2020–25* **Ph.D.**, Your Field, Your University
2018-20 **M.A.**, Field, University
2008-12 **B.Sc.** Field, University

Research Experience

2020– Research Assistant, Cool Lab, Your University, (Advisor: Dr. Thinks-a-lot)
2020– Research Assistant, Fancy Science Lab, Your University, (Advisor: Dr. Math Wiz)

Awards & Honors

2024 Fancy NSF Grant ($1,000,000; Role: PI)
2023 Your University Outstanding Service Award ($XXX)
2020– Research Fellow at the Your Research Lab or University

Manuscripts Under Review

R2 **Smith, John** & Buddy, B. The freshest preprint of the bunch. Under review at Nature Human Behaviour. 2024. https://example.com.

R1 **Smith, John**, Buddy, B. & Super, A. Sweet new project about to blow up the scene! Revise and Resubmit at PNAS. 2023. https://example.com.

*Expected.

Manuscripts in Preparation

W2 **Smith, John** & Super, A. A project that is still taking shape. In preparation. 2024.

W1 **Smith, John**, Buddy, B. & Super, A. Another good one! arXiv[Preprint]. Embed extra links with the 'note' field. 2023. https://example.com.

Journal Articles

J3 **Smith, John R.**, Coauthor, A. & Yang, S. Newest Paper Title Goes Here. *Another Journal Title* **2,** 101–120. https://example.com (2024).

J2 **Guy**†**, Smart** & Gal†, S. Paper Title Goes Here. *Journal Title* **1.** https://example.com (2023).

J1 **Smith, John R.**, Brown, M. & Yang, S. Paper Title Goes Here. *Journal Title* **1.** https://example.com (2023).
– Add *Extra Accolades* about Your Article
– Write text here as normal LateX Allowing Special Formatting
– Best Paper Award (Conference XXX 2021).

Peer-reviewed Conference Proceedings

C3 **Smith, John R.** & Brown, M. *Paper Title Goes Here* in *Proceedings of the Most Cool Conference* **3** (2023), 55–72. https://example.com.

C2 **Smith, John R.** *Paper Title Goes Here* in *Proceedings of the Super Duper Cool Conference* **15** (2021), 1–10. https://example.com.

C1 **Smith, John R.**, Brown, M. & Yang, S. *Paper Title Goes Here* in *Proceedings of the Super Cool Conference* **15** (2021), 1–10. https://example.com.

Other Writings

O2 **Smith, John**. Everything I learned in graduate school. PhD dissertation, Your University. June 2025. https://example.com.

O1 **Smith, John**. A plain-language summary of my latest paper. The Cool Science Blog. Nov. 2024. https://example.com.

Tools & Software

Group Name

Cool dashboard: A dashboard that displays data in a really awesome way.

monkeytools: Python package for the everyday codemonkey (PyPi | GitHub). Demonstrated at (PyCon 2024).

Group 2

Other stuff goes here.

Presentations

Invited Talks

I2 **Smith, John**. A keynote that everyone remembers. Workshop on Very Important Questions (Virtual). May 2024.

I1 **Smith, John**. Invited talk with a memorable title. Department of Cool Science Seminar Series, Your University (Bloomington, IN, USA). Mar. 2023.

Talks

T3 **Smith, John** & Buddy, B. Awe inspiring presentation. 10th International Conference on Cool Science (Philadelphia, PA, USA). July 2024.

T2 Buddy, B. & **Smith, John**. A talk someone else gave on our work. Annual Meeting of the Cool Science Society (Chicago, IL, USA; presented by Best Buddy). Jan. 2024.

T1 **Khaled, DJ**. Anotha' one! Fourth Multidisciplinary International Symposium on Blasting Bangers (Virtual). Links like this. Oct. 2022.
– Extra Formatting also works
– **Here**.

Posters

P3 **Smith, John**, Author1, C. & Author2, C. Poster Name here. Another Cool Conference (Cambridge, MA, USA). July 2024.

P2 **Smith, John**, Author1, C. & Author2, C. Poster Name here. Another Cool Conference (Cambridge, MA, USA). Apr. 2023.

P1 **Smith, John** & Author1, C. Poster Name here. Yet Another Cool Conference (Chicago, IL, USA). Sept. 2022.

Demonstrations & Tutorials

D3 **Smith, John** & Author1, C. Hands-on tutorial for the monkeytools package. Super Cool Conference Tutorial Track (Seattle, WA, USA). Aug. 2024.

D2 **Smith, John**. Exciting demonstration. Another Cool Conference Workshop on Technical Things (Cambridge, MA, USA). Apr. 2022.

D1 **Smith, John**. CoVaxxy: Linking COVID-19 vaccine adoption and online (mis)information. Include links this way for the Cool Organization. June 2021.

Selected Media Coverage

2024 The New York Times, Scientists figure out the meaning of life. [J1] (Note how the regular citation functions work throughout the document!)

2024 AP News, What even is science? [J2] (Point to any project in your ref.bib file with the standard 'cite' function)
2025 Reuters, The newest paper makes headlines. [J3] (This one cites the *top* journal entry, so it prints J3 – matching the number shown in the list above)

Teaching

University1 Name

2024 Assistant Instructor, Course Name (CODE 606)
2024 Guest lecturer, Science Theory and Practice (CODE 360)

University2 Name

2024 Assistant Instructor, Course Name (CODE 123)
2024 Guest lecturer, Science Theory and Practice (CODE 321)

Academic Advising

Graduate

2023 Name, University, Additional details

Undergraduate

2023 Name, University, Additional details

Academic Service

Guest Editor

2023 Link to collection

Journal Reviewer

2023 Nature
2023 Science

Professional Memberships

2024– Society for Cool Science
2023– Association of Computational Things

Other Experience

2018 Past Non-academic Job, Company Name, New York City, New York (Additional detail)
